

Schenden's Spas Promotes Massage Therapist Jill Pursell to serve as Manager

Lake Orion, MI July 21, 2008 – Schenden's Spas recently promoted Jill Pursell to Massage Therapist Manager. Ms. Pursell will provide continuous training to the existing massage therapists and select new hires. "We're thrilled to have Jill as a manager," says spa director Leslie Bean, "massage therapy is not a job for Jill, it's a calling."

Ms. Pursell knows exactly the type of people she wants on her massage team. "As a general rule, Schenden's Spas only hires experienced service providers," says Pursell, "but if a brand-new graduate comes to me with the heart of a servant and a healing touch I will invest in training because in the long run, our clients will be better served. We can teach advanced massaged techniques but we can't really train someone to have a nurturing spirit."

Ms. Pursell has over twelve years of massage experience.
